Radiant
POOLS™

STEP INTO THE FUTURE OF ABOVEGROUND POOLS

THE ALL NEW
RADIANT INSIDE STEP
FOR METRIC SERIES POOLS

Radiant Pools has done it again! The leader in innovation in swimming pool design, introduces their **New Inside Step for Metric Series Pools!** This new liner over step was developed as an alternative to plastic ladders and drop-in steps normally offered as entry options for aboveground pools.

The New Radiant Inside Step offers:

- More Seating area than normally available in an aboveground pool - perfect for loungers and little ones alike!
- Provides easier access in and out of the pool.
- Eliminates unsightly deck mounts seen with plastic drop-in steps and ladders.
- Seamless design creates an inground look in an aboveground pool!
