

Rough winter?

Snow and ice buildup can destroy a traditional aboveground pool...

**Don't Worry,
Brighter Days
are Ahead!**

**Not even
a Polar Vortex
can damage
a Radiant
Metric Pool!**

The incredibly strong 2" thick Insulated Radiant Pools are engineered to withstand the harshest elements and comes with a Lifetime Warranty that includes protection from winter damage in the unlikely event that occurs.

You Never Have to Worry Again!

Replace your old pool with a Radiant Metric Pool and we'll give you a FREE Deluxe Winter Cover and LED Light Kit!

Simply go see your Authorized Radiant Pool Dealer with a picture of your winter damaged pool. Order a Radiant Pool as replacement by May 15, 2014 and you'll receive a **FREE Custom Deluxe Winter Cover and LED Light Kit** (up to \$1,200 value)!
